Final Thoughts as the year comes to a close.

What a busy semester it has been. From move in weekend to career fair, to discovery day to employer discover sessions, and from networking November to last call for our December grads, we thank you for your support this fall!

As the semester comes to a close, we are hard at work preparing our spring semester career programming series and prepping for fair. We hope you enjoyed our bi-monthly email that shared our events and happenings, as we look forward to continuing this into the spring.

In the meantime, our website hosts a plethora of information for students, employers and faculty and staff so check it out [here!](#) We look forward to kicking off a new semester and year after a restful break. We wish you all a safe and healthy new year. As always, do not hesitate to reach out with any questions, thoughts or ideas. We look forward to collaborating with you in the spring!

DID YOU KNOW?

- Monday is the most common sick day & Fridays are the least likely sick day.
- Leonardo Da Vinci is credited with writing the first resume
- If you work 40 hours a week up until 65 years of age, you will have worked just over 90,000 hours in your lifetime.

First Destination Survey (FDS)

What is the FDS?

The First Destination Survey provides data on where Clarkson graduates land after college. Using standards outlined by the **National Association of Colleges and Employers** (NACE), The Career Center gathers this information annually, and provides the aggregate results to the campus community. This data is very important to showcase the ROI on a Golden Knight education and the value of your Clarkson degree.

The report shares employment rates, provides information on average salary ranges, the top employers/organizations, graduate programs, and geographic locations for recent graduates. The information is collected at graduation points (August, December & May) and that data makes up a class year cohort for data.

The survey is administered through Handshake (is quick and easy to take) and only those graduating have access to take it. The survey launches about 6 weeks prior to each graduation period and closes 6 months after their specific graduation date.

How you can help?

Encouraging graduating seniors to take this survey through Handshake is extremely important to allow our office and campus to collect the most accurate data to share with our faculty, staff, and potential Golden Knights! They will receive a notification email to take the survey when it opens and a reminder each month leading up to the 6 month cut off point.

If you are interested in learning more, wanting to help us campaign or have questions please reach out to our office!

Introducing Career Coach Jenna

Jenna Clute is the newest member of the Career Center team, as their newest Career Coach, and is excited to dive into the experience.

Jenna is an alumni from the State University of New York at Potsdam, where she studied Psychology and Theatre. Being a member of the Saint Regis Mohawk Tribe, she always has prioritized community and interpersonal relationships. This was the driving force in her pursuit towards a career in working with students with various backgrounds, experiences, and skills. Making an impact and difference is something she always strives to reach as a goal in every avenue of life.

After graduating, Jenna was granted the opportunity to work with local non-profit SLC Arts, starting as their Programs Coordinator, and transitioning into their Marketing Coordinator and Store Manager. Most recently, Jenna has worked with the Saint Regis Mohawk Tribe Alcohol/Chemical Dependency Program in Akwesasne at their Clubhouse for young adults.

Alongside her passion for human service, she shares appreciation for the arts. Dabbling in many artistic forms, she published a poetry book in 2019 titled "the anatomy of human kind" and performed Spoken Word poetry on a variety of stages in upstate NY. Jenna extends her love for performance arts into the world of music as well, and released her first single in 2020 titled "Satisfied" and continues to write songs in her free time. Please feel free to stop by the Career Center in the ERC to welcome Jenna!

Employers Back On Campus

Fall 2022 Discovery Session Stats

Our recently re-branded Employer Discovery Sessions were a great success this fall. Through intentional dialogue with employers, students gained an understanding of world of work skill sets and built relationships with our corporate partners.

Employer Spotlight **L3Harris**

L3Harris came to campus this fall for a Discovery Session and on campus interviews. They had multiple position to fill from co-op's and internships to fulltime employment opportunities. What made this visit extra special was that 5 Clarkson Alums came back for this event! Understanding the rigorous curriculum, and the rich hands on extra curricular opportunities our students are a part of, recruiting here was a must! Having interviewed 18 students, the shared they would be looking to place as many as possible, which even included the creation of some new jobs for our talented students!
