Where Are the Forms And When Are they Due?

Clarkson University's Knightlife page houses all the Residence Life forms you need. Additionally, the documents section of the page houses other information. So make sure to go through all of our page's information!

<https://knightlife.clarkson.edu/>

Accessing Forms:

-Make sure you are logged in to your Knightlife Student Account

-Search for the "Residence Life" organization page

-There are 3 forms you can access at ANY time during the semester, however, there are DUE dates for forms at certain times of year. (EX: March 9th Vacation Housing Request forms are due for Spring break which begins March 16th)
Forms: Early Arrival, Housing Exemption and Vacation Housing Request.

-Each of these forms must be completed each time you want to make a request.

Forms Available:

Early Arrival Form:

This form allows students to request to return to campus early from breaks. This form is due 1 week before the official re-opening of the dorms for any break.

Off Campus Housing Exemption Form:

This form allows students to request an off campus housing exemption. Clarkson is a 4 year residential campus, which means we require students to live on campus all four years. The form outlines what exemptions would need to be met to be approved for off campus housing. The due date of this form varies for each semester so check in with the Director of Residence Life.

Vacation Housing Request Form:

This form allows students to request to remain on campus late or for all of university breaks. This form is due 1 week before the official closing of the dorms for any break.
