

Effective, Inclusive Teaching Challenge

Diversity, Equity, & Inclusion Office
Institute for STEM Education

We would like to thank and acknowledge the Challenge participants. Several submitted excellent examples of how to engage, reflect, and improve on the effectiveness and inclusiveness of our teaching. If you would like to know more, we would like to invite you to be at CURE tomorrow at 9 am EST. Ben Galluzzo will be sharing the winners and contributors and giving a highlight of your work.

THANK YOU:
